MAISON LA BELLE VIE WINERY

Maison la Belle Vie means "House of Beautiful Life". This winery encompasses this expression – beautiful ambiance, beautiful surroundings, and of course, beautiful wine. Maison la Belle Vie is a 4.5-acre vineyard that has some of the highest quality wines in Colorado. Planted in 2002, Maison la Belle Vie introduced their first vintages in 2006 including a Merlot, Cabernet Sauvignon, Syrah, Rosé, and Muscat – a dessert wine that is traditional in the Loire Valley of France. The age-old practice of "dry-farming", a technique that works well with the arid climate of western Colorado, allows for maximum results that adds to the complexity and flavor of the fruit. Maison la Belle Vie strives to continue the philosophy of minimalism and tradition in order to reflect the purity of the grape in every bottle.

RED FOX

We are a small family run business with a belief that good food and good drink can make a good day great. We've spent a lot of time perfecting technique, and along with that comes tons of experimentation. None of us are classically trained in wine making, and that's nothing we're ashamed of. As a matter of fact, we embrace it; it's a point of pride; it's an opportunity to be ourselves even in our wines, to take risks we see as practical that others see as crazy. There's a lot to learn from the various traditions and schools of wine making, and we see ourselves as students of them all. We are out to make quality wine that is unique.

DESSERT WINE

GRAPPLE JACK PORT CIDER 12

Palisade, CO. ABV 19%. Apple wine with grape spirits, aged for 2 years in American oak bourbon barrels.

RED WINE

NEBBIOLO, 2017 72

CABERNET FRANC WHISKEY BARREL, 2016 57

ABV 14.1%. Tobacco and plum come through strongest in aroma, complimented by fainter notes of dark chocolate and dark roast coffee. Spice notes (black pepper and cinnamon) from the Cabernet Franc and from the Rye Whiskey barrel itself are dominant in flavor, the barrel also lending leanness to the wine that helps to cut through rich background notes of bitter chocolate and smoked dates.

DOLCETTO, 2017 54

ABV 14.1%. A nice tannin structure with lower acidity that has a beautifully balanced earthy and fruit character. Dominate flavors are black cherry and licorice with some prune flavors and a characteristically bitter finish reminiscent of almonds. While the name implies sweetness, the wine is dry and easy to consume.
